

Oswald-phone numbers

2/1/39

Paul, Gary,

Harold "Fishberg"

Did I ever tell you, or did you learn on your own and check out, these phone numbers in Oswald's pocket when he was shot? They are from 22495.

AL2-4611 (or AC-2)

CO7-3110

OR9-9400

RI8-9711

The first and third are consistent with New York (Abt?), the fourth with Dallas. It sure seems familiar.

It is my recollection that under usual jail procedures, everything is taken away from the prisoner. This being the case, these were numbers he got after his arrest.

I regret this was one of the first things I noted in the Archives, & when, not having any money, I was buying almost no documents. So, I do not have the handwriting.
